

The way to us

Arriving by car

If you are arriving by car, you will reach us via the autobahns to the right and the left of the Rhine.

For easier travelling we marked the routes on the map for arriving from the autobahn exit Mannheim-Neckarau resp. from Ludwigshafen.

Arriving by train

Mannheim is one of the interchanging main stations in the InterCity rail network.

Arriving from the central terminal you will reach us in few minutes with a taxi or with tram line No. 1 towards Rheinau - station Friedrichstrasse.
